Spelling

The *Concise Oxford English Dictionary*, twelfth edition, is the current authority for spelling in the United Nations. If more than one spelling is given in the dictionary, use the form listed first unless otherwise indicated below. The online Oxford Dictionary (https://premium.oxforddictionaries.com/english/) (set to British and World English) is an acceptable alternative.

The United Nations spelling list is designed to serve as a quick reference for common words and compounds for which there may be more than one possible spelling. Some words commonly used in United Nations documents that are not in the twelfth edition of the dictionary are included in the list for ease of reference. For further guidance, see also *Abbreviations and acronyms* and *Capitalization in English*.

Foreign words listed in the twelfth edition or included in the list below are not italicized in United Nations documents. Foreign words that are not listed in that edition or included in the list, however, are italicized.

Non-English names of organizations, firms, ministries and the like are not italicized.

Fractions expressed in words are not hyphenated (e.g. one third of the total) unless they are used as adjectives (e.g. one-third share).

The abbreviation “adj.” is used to indicate compound adjectives that are hyphenated when they precede a noun (e.g. She had a fixed-term contract). Otherwise they are normally not hyphenated (e.g. The contract was for a fixed term).

Compound adjectives in which the first word ends in –ly are not hyphenated (e.g. environmentally sustainable growth).

*Notes:*
* Indicates a change from previous practice.
** Indicates an exception to the twelfth edition of the *Concise Oxford English Dictionary*.
*** Indicates both a change from previous practice and an exception to the twelfth edition.
